

2018  
36 Years of Fat

**LIFETIME**  
HEALTHY WAY OF LIFE

PRESENTED BY **TREK**

**PLEASE NOTE:**  
You will encounter active logging areas and backwoods traffic along the race courses during the Chequamegon Fat Tire Festival weekend. The course is not closed to traffic and caution should be exercised.

**ON-COURSE INFORMATION**

APPROVED HELMETS ARE REQUIRED IN ALL EVENTS!

**FOOD STATIONS**

There are six on-course stations on the Chequamegon 40 course and one on the Short & Fat course. In addition to this, there is a finish line food station at Telemark Resort. Bananas and cookies will be served, along with water and GuBrew.

**MEDICAL SERVICES**

Medical personnel will be stationed at each food station, the start line and the Telemark Resort finish line. Mobile medical personnel will roam between the food stops on the race courses on ATVs. National Mountain Bike Patrol volunteers will be on their bikes along the race course. If you need or see anyone who needs assistance, please report to the nearest medical person. Look for the MEDICAL banners on all safety vehicles and at all stations.

**TECHNICAL ASSISTANCE**

Trek Factory Demo and the Madison Trek Bicycle Store will provide neutral technical assistance at the start lines before each event and at the Telemark Resort finish line. No on-course assistance will be available. Racers are reminded that they are responsible for their own on-course repairs, and tools needed for possible repairs should be carried, including a tube, patch kit, pump, tire irons, chain tool, wrenches and other useful tools.

**CUT-OFF TIME**

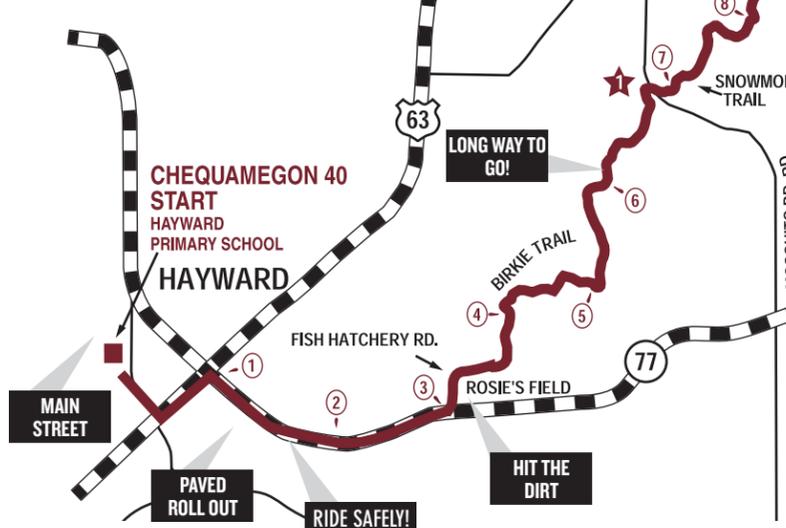

Riders in the Chequamegon 40 failing to meet the 2:45 p.m. cut-off time at the intersection of Lake Helene Road and Telemark Road will be directed off the race course and returned to the Telemark Resort finish line.

**DROPPING OUT**

Should you desire to drop out of any of the events, please do so at a food station. Evacuation vehicles will be stationed at each food station and return dropped riders to the Telemark Resort finish line. Should you break down and cannot continue, your best bet is to walk to the nearest food station to be evacuated or to contact a roving safety person who will report your location.

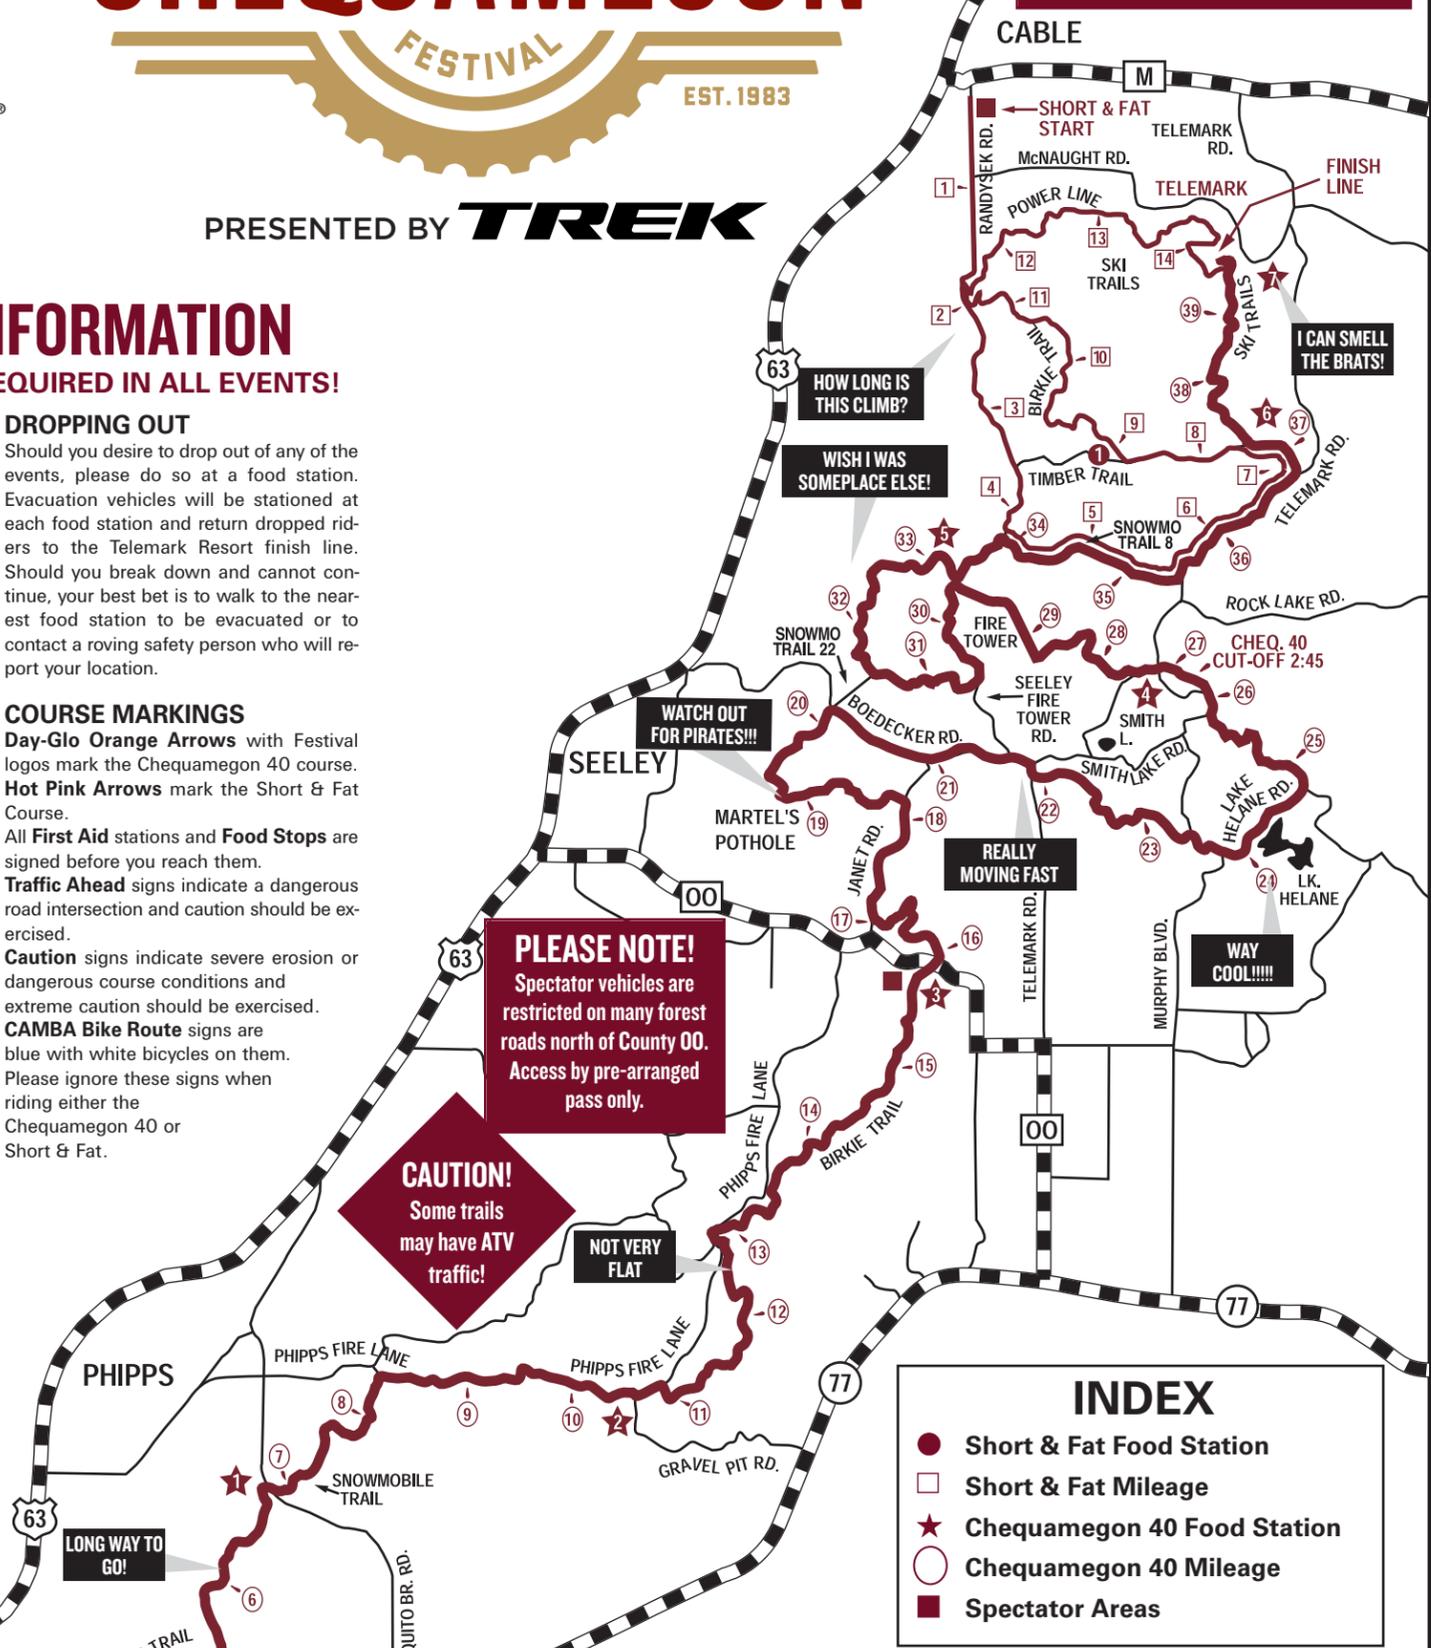

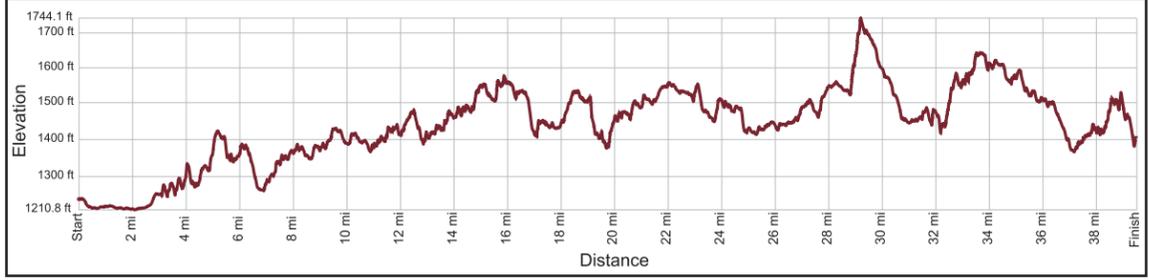

**COURSE MARKINGS**

**Day-Glo Orange Arrows** with Festival logos mark the Chequamegon 40 course. **Hot Pink Arrows** mark the Short & Fat Course. All **First Aid** stations and **Food Stops** are signed before you reach them. **Traffic Ahead** signs indicate a dangerous road intersection and caution should be exercised. **Caution** signs indicate severe erosion or dangerous course conditions and extreme caution should be exercised. **CAMBA Bike Route** signs are blue with white bicycles on them. Please ignore these signs when riding either the Chequamegon 40 or Short & Fat.

**CAUTION!**  
Please stop at all traffic road intersections and be aware of traffic on all forest roads.

**Chequamegon 40**

**INDEX**

- Short & Fat Food Station
- Short & Fat Mileage
- ★ Chequamegon 40 Food Station
- Chequamegon 40 Mileage
- Spectator Areas

**PLEASE NOTE!**  
Spectator vehicles are restricted on many forest roads north of County 00. Access by pre-arranged pass only.

**CAUTION!**  
Some trails may have ATV traffic!

**PLEASE NOTE:** This map is intended for general directional purpose only and not detailed enough to use for orienteering in the woods. Always take along a compass, detailed maps and plenty of fluids when riding in the deep woods. The courses are off-road and on a variety of unmaintained trails. Riding hazards exist and extreme caution should be exercised while riding in the woods.

**CLOTHING DROP BAGS** are provided at bib pick-up for the Chequamegon 40 and Short & Fat for post-race needs. Drop bags left at the start line will be transported to Telemark Resort and be available at the finish line. Chequamegon Fat Tire Festival is not responsible for loss or damage.

**BIKE WASHING & STORAGE** area provided at the Telemark Resort finish line. Bikes can be stored while you pick up your car at the start lines following the Saturday events. Bike Corral storage area closes at 6:00 p.m. sharp. Please pick up your bike before then. Not responsible for loss or damage.

**FINISH LINE FOOD** Stop by the finish line food station under the Big Top Tent following your completion of Saturday's events. Water and fruit will be available.

**RETURN TRANSPORTATION** Complimentary bus transportation will be available from 12:30 to 5:00 p.m. from the Telemark Resort finish line following the Saturday events.

Participants will be transported to the Cable and Hayward start areas to retrieve their cars. Bicycles cannot be taken on the bus. Temporary storage is provided at the Bike Corral next to the finish line.

**START LINE PARKING** In Hayward, parking areas are provided at the start of the Chequamegon 40 in a variety of lots. In Cable, a parking area is provided behind the Old School Mall building and other large lots. Please do not park for the day in other business parking lots or on the Main Streets of Cable and Hayward. Parking monitors in both towns will direct you to the parking areas.

**HOT SHOWERS** will be available for event participants at Telemark Resort in the tents at the finish line. Be sure to pack a towel in your plastic race drop bag provided at bib pick up.

**FAT TIRE SOUVENIR SALES** will be open throughout the weekend under the Chequamegon Big Top tent at the finish area. Apparel, caps, mugs and other collectible items will be available for sale.

**REFRESHMENTS & FINISH LINE FUN** After you recover from the day's racing, enjoy the finish line festivities with a cool refreshment and a tasty snack at the finish line food concession stands. Relax a bit and relive your day's adventure as you watch the finishers arrive.
